

## **Hwa-Chong Info-Communication (HCIC)**

*Registration not yet open*

The Hwa-Chong Info-Communication (HCIC) is organized by the Hwa-Chong Institution (HCI) which is a renowned educational institution based in Singapore. With a distinguished history and a commitment to holistic education, HCI cultivates academic excellence and character development in its students, preparing them to thrive in the global landscape.

This is a good opportunity for the students to build technical aptitude and problem-solving skills using the **“think-out-of-the-box”** approach to handle logical ability scenarios. This competition also helps students build resilience and confidence. HCIC will award certificates based on the results of the participants, including Platinum, Gold, Silver, and Bronze awards. **All platinum award winners will also receive \$50 prize money.**

Further details to be provided when available.
