

## **Singapore Mathematics Challenge (SMC)**

### *Registration ongoing*

The Singapore Mathematics Challenge (SMC) is organized by Singapore International Mastery Contests Centre (SIMCC), is one of Singapore's largest international Mathematics competitions with over 20,000 contestants last year. Questions in the challenge will be based on the Singapore Mathematics curriculum.

This is a good opportunity for the students to gain exposure to the rigour of the Math Olympiad and pit their skills against other participants. SMC will award certificates and performance reports to all participants. SMC will also give a Perfect Score Award to participants who achieve a perfect score. Award recipients will also be invited to participate in the **Singapore Math Global Finals (SMGF) 2026**, scheduled for March 2026, held simultaneously across all participating countries. Details are as follows:

**Date:** Saturday, 20 September 2025

**Time:** 09:00 - 10:30 AM (must be in the venue 15-20 minutes before start)

**Mode:** Paper-based

**Venue:** Anglo Singapore International School

**CAMPUS 64 -** Campus 64 students

**CAMPUS 31 -** Campus 31 students

**CAMPUS KORAT -** Campus Korat students

**Fee:** THB 900
